Commissioner for Patents  
United States Patent and Trademark Office  
Box PCT  
Washington DC 20231

Sir:

Responsive to the Notification of Defective Response dated May 14, 2002, enclosed herewith is a corrected Declaration referring to the above-identified application by one or more of the following in compliance with 37 C.F.R. § 1.63:

- ☒ [X] Name of inventor and application serial number;
- ☐ [ ] Name of inventor, attorney docket number which was on the application as filed, and filing date of the application;
- ☒ [X] Name of inventor, title of invention, identification of the application by the International application number and international filing date;
- ☐ [ ] Name of inventor, title of invention and reference to a specification which is attached to the oath or declaration at the time of execution and filed with the oath or declaration;
- ☒ [X] Name of inventor, title of invention. As presently advised, the undersigned, a registered attorney, states that the application filed in the PTO is the application which the inventor executed by signing the oath or declaration.

Applicants previously submitted the Oath and Declaration on November 2, 2001 and submitted the appropriate fee. However, the Notification of Defective Response indicates that the originally submitted Oath and Declaration did not identify the application by the International application number and international filing date. While Applicants disagree, Applicants submit herewith a second copy of the Oath and Declaration which Applicants believe refers to the application by international application number and filing date.

Applicants believe no fee is due in connection with this communication. However, if any fee is due, the Commissioner is hereby authorized to charge payment of any such fees to Deposit Account No. 02-4377. Two copies of this communication are enclosed.

Respectfully submitted,

BAKER BOTTS L.L.P.
